

Laker Elementary is awesome! Here are some reasons why:

We ranked No. 1 in Huron and Tuscola counties and in the Top 20 statewide for elementary schools (Bridge Magazine).

We ranked in the top 5 percent of elementary schools in the state - we're an Academic State Champ (Bridge Magazine).

The school received a \$1.83 million grant in 2014 that is being used to help our most at-risk students so they can get the one-on-one help they need to succeed.

Daily Academic Support Time allows for students to build on academic skills and receive personalized support based on their needs.

A homework assistance program and tutoring are offered to help our students.

Laker Elementary has a nurse available on site.

Students enjoy music and physical education classes every day.

Computer classes are offered every week.

A fifth grade band program is available, along with a strings group.

The school offers a wide variety of after-school programs/activities for a wide variety of interests (dance, underwater ROV, writing, chess and more)

Laker Elementary students enjoy regular art classes, along with many classroom-based projects, in which they're allowed to explore and showcase their creativity.

We have a wonderful counselor and behavior interventionists, along with multiple programs that encourage and support positive behavior.

We have a marvelous Laker Elementary PTOC that conducts various events and fundraisers to help provide funding for elementary activities, improving the educational experience for all students.
